This is a Supplementary Product Disclosure Statement (**SPDS**), issued by Australian Associated Motor Insurers Limited ABN 48 005 297 807, AFSL Number 238173.

This SPDS supplements the following Product Disclosure Statements (each a **PDS**);

Business Insurance Product Disclosure Statement A03004 date prepared 25/05/2012,
Business @ home Insurance Product Disclosure Statement 5790 date prepared
25/10/2006,

and must be read together with the PDS that you hold and any other SPDS we may give you for your PDS.

The purpose of this SPDS is to amend the refund that will be provided on the cancellation of a policy, or any cover under a policy, insuring property in Victoria.

Each PDS is unchanged except as indicated below:

Cancellation – insured property located in Victoria

In the event that your policy, or any cover under your policy, is cancelled on or after 01 January 2013 in circumstances where you are entitled to a refund of a portion of the premium, if you have insured property located in Victoria and your:

- policy start date is between 01 August 2012 and 30 June 2013, or
- renewal start date is between 20 September 2012 and 30 June 2013,

we will **not** refund the Victorian fire services levy portion of your premium.

This change does not affect the refund we will provide during the cooling off period.

Reasons for this change

Currently, the Victorian government requires us to pay a Fire Services Levy (FSL) each financial year (1 July to 30 June) based on premiums collected in that financial year. This means that if you have insured property located in Victoria, your premium will likely include an amount relating to the FSL for the financial year in which your policy was taken out. If you cancel your policy or any cover under your policy on or after 01 January 2013, we will **not** refund the FSL portion of your premium, which will be retained in order to assist us to meet our obligations to the Victorian government in this final year of the FSL.

If your policy is issued after 30 June 2013, your premium will no longer include FSL due to changes in the way the Victorian government funds its fire services.
