Your Duty of Disclosure

Before you enter into a contract of insurance, you have a duty to tell us anything that you know, or could reasonably be expected to know, that may affect our decision to provide the insurance and on what terms. For this duty of disclosure section, 'you' includes both the policy owner and the life insured.

You have this duty until we agree to provide the insurance to you. You have the same duty if you extend, vary or reinstate the contract.

You do not need to tell us anything that:

- reduces the risk we insure; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive the duty to tell us about.

If you do not tell us something

In exercising the following rights, we may consider whether different types of cover can constitute separate contracts of insurance. If they do, we may apply the following rights separately to each type of cover (each referred to as a contract).

If you do not tell us anything that you are required to, and we would not have provided the insurance if you had told us, we may avoid the contract within 3 years of entering it.

If we choose not to avoid the contract, we may, at any time, reduce the amount of insurance provided. This would be worked out using a formula that takes into account the premium that would have been payable if you had told us everything you should have. However, if the contract provides cover on death, we may only exercise this right within 3 years of entering into the contract.

If we choose not to avoid the contract or reduce the amount of insurance provided, we may, at any time vary the contract in a way that places us in the same position we would have been in if you had told us everything you should have.

However, this right does not apply if the contract provides cover on death.

If the failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

To assess whether we can provide you with income protection cover under this product, we rely on your complete and accurate disclosures. Therefore, where relevant to your application or to any claim you make, we have the right to request you to provide access to relevant medical, financial, employment and other relevant records. We also have the right to request you to provide your consent or grant us authority to obtain access to such records.

If you do not provide the above relevant records or you do not provide consent or authority for us to access relevant records, we may not be able to provide this product to you or assess any claim you make (in which case we may not pay a claim which we have not been able to assess).

Who can apply?

If you're an Australian resident aged 18 to 60, working a minimum of 20 hours a week and generating an income, you can request more information and take out AAMI Income Protection insurance over the phone or online. Just call **13 22 44** or go to www.aami.com.au/policy-documents for more information.

2. Choosing the right policy

Step 1: Choose the right plan type

Income protection is designed to help replace some of your income if sickness or injury prevents you from working.

Everyone's lifestyle and circumstances are different, and that's why our AAMI Income Protection Insurance is flexible with your choice of benefit amount and how you choose to pay premiums.

To make sure more people can take out this important protection, we've designed AAMI Income Protection to have more options. You can choose between Comprehensive Income Cover and Income Cover plan types.

Comprehensive Income Cover

Comprehensive Income Cover is available for those who are happy to answer some health and lifestyle questions in return for more features, including higher cover amounts, lower premiums, shorter claim waiting periods, longer claim benefit periods and cover for mental health related conditions, subject to you satisfying health and lifestyle criteria. This is because we find out all we need to know up front in order to accept your application.

Comprehensive Income Cover provides additional flexibility and features that may offer more value and protection to those with more complex personal circumstances, such as greater financial commitments. With Comprehensive Income Cover you can cover up to 75% of your income, to a maximum of \$10,000 a month for sickness or injury.

Income Cover

Income Cover is an option for those who want cover with fewer features, including reduced cover benefit amount, without the need to answer lengthy questions up front, which reduces the time and effort required to take out a policy. With Income Cover, you can cover up to 75% of your income, to a maximum of \$7,500 a month for sickness or injury.

Income Cover provides simple and short-term protection that may offer suitable cover for those with fewer financial and personal commitments. If you choose Income Cover, it is important you understand you are not covered for any loss of income caused by a sickness or injury that exists at the time of taking out cover or existed in the 5 years before you took out cover (we call this a pre-existing medical condition). We have the right and may gather further medical information if we believe your claimed condition to fall within the pre-existing medical condition exclusion. We have the right to request you to provide access to relevant medical and other relevant health records. We also have the right to request you to provide your consent or grant us authority to obtain access to such records.

There is no cover at all for mental health related conditions under Income Cover. Other exclusions and limitations also apply. Please see Section 5 - 'What isn't covered'.

You can upgrade from Income Cover to Comprehensive Income Cover at any time, subject to you satisfying health and lifestyle criteria – just give us a call to see if you're eligible.

Step 2: Choose the amount of cover

For Comprehensive Income Cover, you can select cover up to 75% of your income, to a maximum of \$10,000 per month for sickness or injury.

For the Income Cover option, you can select cover up to 75% of your income, to a maximum of \$7,500 a month for sickness or injury.

We generally calculate income as your before tax average personal earnings in the 12 months preceding your sickness or injury. If you're self-employed, your business expenses are excluded from your before tax earnings to calculate your personal income. Please see the Glossary on page 48 for the definition of earnings.

If you receive other income (such as any workers' compensation, benefits from other insurers or claims made under any Australian legislation or common law or social security) during a period where you are claiming on your insurance, we may adjust your payment – but only if the combined amount of your AAMI Income Protection Insurance benefit and the other income is more than 75% of your monthly income.

When choosing the amount of cover, as well as considering your family's monthly expenses (factoring in any quarterly or yearly bills, such as rates or school fees), it's a good idea to also keep in mind that above your usual costs, your cover is to keep your family safe during unusual circumstances. You may want to factor in costs that would be incurred in recovering from a sickness or injury.

And don't worry about changes in your circumstances – we know these happen. Alterations to your AAMI Income Protection policy can be made, subject to you satisfying health and lifestyle criteria; for example, increase your cover when you get that pay rise you've been waiting for. If you require less cover because you reduce your hours of work, or start earning less, you can reduce your benefits too.

Step 3: Choose the claim waiting period and claim benefit period

Claim waiting period

The claim waiting period is the amount of time after a sickness or injury occurs that you have to wait before your benefits commence. If you are off work and make a claim for AAMI Income Protection, you will not receive any payments for the duration of your claim waiting period. A policy with a shorter claim waiting period will have higher premiums.

Once we've confirmed that you've been continuously off work for the duration of your claim waiting period, you'll start receiving payments a month later, as they're paid a month in arrears.

AAMI Income Protection offers options for how long you wait before benefits commence if you are unable to work. With Comprehensive Income Cover you can choose a claim waiting period of 14, 28, 60 or 90 days for sickness and injury claims. The longer the claim waiting period you choose, the lower the cost of your cover. With Income Cover, a fixed claim waiting period of 28 days applies.

Claim benefit period

The claim benefit period is the maximum amount of time you can receive payments when you are unable to work due to sickness or injury. These payments will continue as required up to the end of your chosen claim benefit period as long as all the other requirements of your entitlement to a benefit are satisfied. A policy with a longer claim benefit period will have higher premiums.

During the claim benefit period, you won't need to pay anything towards your AAMI Income Protection policy. Once your payments start, we'll hold in credit any premiums you may have paid during the claim waiting period.

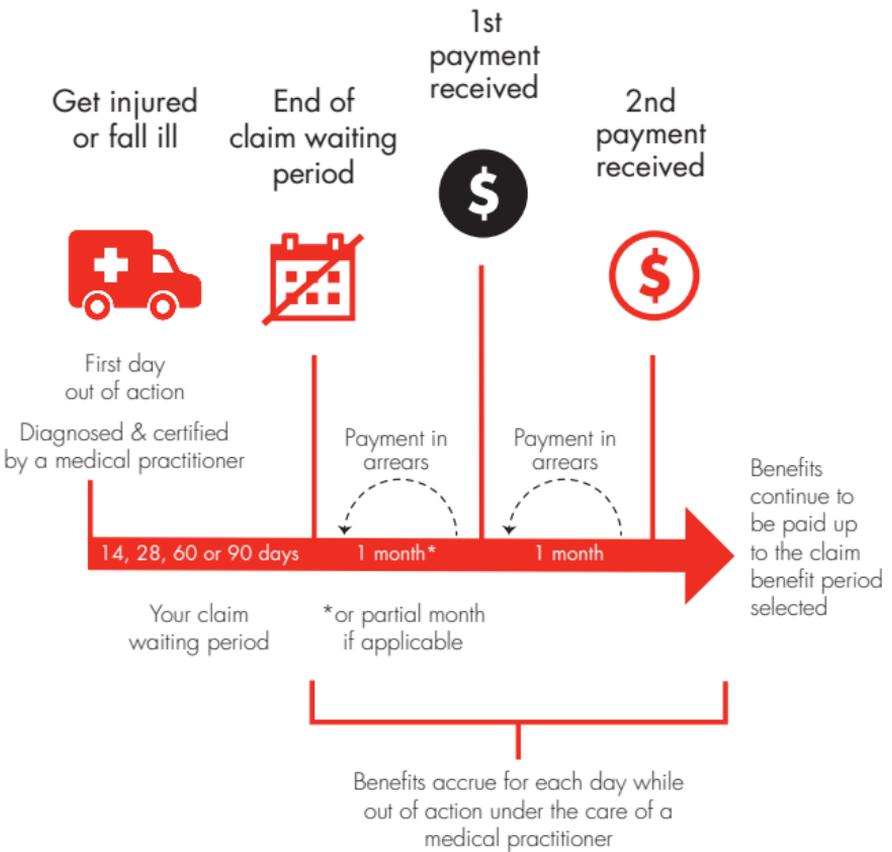

With Comprehensive Income Cover, you can choose a claim benefit period of either 6, 12, 24 months or 5 years for sickness or injury. With Income Cover, a claim benefit period of 6 months applies.

Under Comprehensive Income Cover, if you're eligible for benefit payments for claims for mental health related conditions, the claim benefit period is limited to the lesser of 2 years in total over the life of your policy or the claim benefit period, whichever is shorter.

For example, if your claim benefit period is 5 years, we will pay a benefit for a maximum of 2 years only.

Note: There is no cover for any mental health related condition under the Income Cover option.

This diagram illustrates how the claim waiting period works and when benefits are payable:

Step 4: Add additional lives

You can add an additional life insured to your policy. If you add an additional life insured, you'll both receive a 5% discount on your Sickness and Injury Cover.

Step 5: Choose whether to add the Accident Benefit Option

Accident Benefit Option

Available with Comprehensive Income Cover, the Accident Benefit Option will backdate the benefit payment to the date of the life insured's accidental injury resulting in:

- the life insured being totally out of action for the duration of the claim waiting period;
- the life insured remaining totally out of action beyond the end of the claim waiting period and eligible to receive a benefit or partial benefit; and
- the total benefits paid on any claim is up to the maximum claim benefit period nominated on your policy.

The Accident Benefit Option is available to applicants taking out Comprehensive Income Cover with a 14 or 28 day claim waiting period only.

3. Benefit terms and conditions

With AAMI Income Protection, there's no small print or nasty surprises. We encourage our customers to make sure they understand all aspects of their income protection benefits, so here are a few things you need to know before you take out your cover.

Benefit means the monthly amount we will pay you upon a valid claim for the respective plan type shown on your policy schedule. To be eligible for a benefit under this policy, the life insured must suffer a loss of capacity to perform their usual occupation as a result of a sickness or injury first occurring after cover commences. The benefit for each plan type means:

Sickness and Injury Cover

Out of Action Benefit

The Out of Action Benefit, on Comprehensive Income Cover and Income Cover plans, begins to accrue after a life insured has been out of action solely due to sickness or injury for the entire claim waiting period. The benefit will be paid monthly in arrears, and for partial months, the amount paid will be at the rate of 1/30th of the benefit for each day the life insured is out of action after any applicable claim waiting period.

The Out of Action Benefit payable is the lesser of:

- the monthly benefit shown on the policy schedule; or
- 75% of the life insured's pre-tax monthly income during the 12 months preceding the sickness or injury that caused the life insured to be out of action,

less any adjustments that may be applicable.

The benefit will continue until the earliest of:

- the life insured no longer being out of action;
- the end of the claim benefit period for Sickness and Injury Cover as shown in the policy schedule; or
- the termination date of the policy.

We will pay a benefit for a maximum of 3 months for any one claim whilst the life insured is and remains outside of Australia subject to the terms and conditions of this policy and on provision of medical evidence acceptable to us (in English). The benefit will then cease but can resume or continue once the life insured has returned from overseas (while the claim is still valid).

Returning to Work Benefit

The Returning to Work Benefit only applies under Comprehensive Income Cover where the claim benefit period is either 24 months or 5 years.

The Returning to Work Benefit means that, solely because of the sickness or injury that caused the life insured to be out of action, the life insured:

- is working or capable of working in a gainful occupation, but in a reduced capacity;
- is under the ongoing care of, and following the advice of a medical practitioner; and
- has suffered a reduction in the ability to generate their average earnings for the 12 consecutive months prior to the start of the claim waiting period.

To be eligible for the Returning to Work Benefit, the life insured must have been out of action for the entire claim waiting period and have received at least one monthly Out of Action Benefit.

The Returning to Work Benefit to be paid will be:

$$\frac{A - B}{A} \times C$$

less any adjustments that may be applicable, where:

A = the life insured's monthly income;

B = the life insured's monthly earnings while claiming the Returning to Work Benefit; and

C = the lesser of the monthly benefit shown on the policy schedule or 75% of the life insured's monthly income.

If the life insured is not working or is suffering a loss of income for reasons other than sickness or injury, 'B' will be calculated on the earnings it would be reasonable to expect the life insured to earn if they were working to their full capacity.

We will take into account all medical and other appropriate evidence.

Concurrent claims

If a life insured suffers more than one sickness or injury at the same time, we will only pay one benefit under this policy, that being the highest benefit applicable to any one of the sicknesses or injuries.

Recurrent Sickness and Injury Cover claims

If within 6 months of receiving a Sickness or Injury Cover benefit, the life insured suffers from the same or related sicknesses or injury which caused the initial claim, the recurrence will be treated as a continuation of the original claim. This means that subject to the terms and conditions of the policy:

- the claim waiting period does not apply;
- subject to ongoing evidence that the life insured is out of action, benefit payments will recommence monthly in arrears;
- all periods of claim from the same or related sickness or injury will be added together for the purpose of determining the remaining claim benefit period; and
- the claim benefit period selected by you, as noted on your policy schedule, is only payable once per claimed injury or sickness, including any recurrences, and it expires when the end of the claim benefit period is reached.

If you do not make a full recovery, no benefit will be payable for the same or related sickness or injury for which the previous claim was paid in full (i.e. for the entire claim benefit period).

Inflation protection

Each year, except when a life insured is out of action, your benefit will increase automatically at your policy anniversary to ensure that it keeps pace with rising costs in living. We call this increase in your benefit inflation protection. Each year the Sickness and Injury Cover benefit will increase by the annual indexation factor on the policy anniversary until a life insured's Sickness and Injury Cover reaches \$15,000. Corresponding increases in premiums will apply, based on the premium rates that apply at that time. If you do not want an increase, tell us within 30 days of the policy anniversary and we will reverse the increase.

Inflation protection increases will not apply if we are currently paying you a benefit in respect of a life insured. Please refer to page 49 in the Glossary.

Apart from when you are on claim, you may apply to increase the Sickness and Injury Cover at any time up to the maximum level/s then available. Any increases to the benefits will be subject to you satisfying health and lifestyle criteria and will not be payable until confirmed in writing by us.

Life Insurance Premium Waiver

If you have AAMI Life Insurance and AAMI Income Protection, the premiums for your AAMI Life Insurance policy will be reimbursed with your AAMI Income Protection monthly benefit payments for up to 3 months while the life insured is out of action and receiving AAMI Income Protection benefits. The waiver will not apply if you are receiving monthly benefit payments under Returning to Work Benefit.

If you have Comprehensive Income Cover, you can also select the following optional benefit:

Accident Benefit Option

The Accident Benefit Option applies if it has been selected by you and the benefit is shown on your policy schedule. The monthly benefit will be backdated to the date of disability in the event of an accidental injury resulting in the life insured being out of action for the duration of the claim waiting period.

The Accident Benefit Option is available with Comprehensive Income Cover with 14 and 28 day claim waiting periods only.

We will pay you up to a total of the maximum claim benefit period stated in your policy schedule per claim.

4. When does cover start and end?

If we accept your application and you have paid the first premium, we will issue you a policy schedule. Your policy starts at the policy commencement date set out in your policy schedule.

For Comprehensive Income Cover, a 6 month qualifying period applies before cover for any mental health related condition commences. This means that no claim will be accepted for any mental health related condition of the life insured that occurs during the first consecutive 6 months of cover, or within 6 months of any increases in the benefit amount (but only in respect of the increased benefit amount).

Your policy ends when the earliest of the following events occurs:

- the policy anniversary immediately following the life insured's 65th birthday;
- the death of the life insured;
- your policy is cancelled due to:
 - non payment of premiums; or
 - you making a fraudulent claim;
- the date we receive a written request from the policy owner to cancel the policy; or
- your policy is avoided due to you making a non-disclosure or misrepresentation at the time of application.

5. What isn't covered?

Regardless of which plan type you've applied for and received, there are some things you can't claim for. Also, please be aware that no benefit is payable if you are in jail or lawfully detained.

For Sickness and Injury Cover, no benefit will be payable under this policy if the event giving rise to the claim is caused directly or indirectly by:

Pregnancy: normal and uncomplicated pregnancy, miscarriage or childbirth is not covered. Normal and uncomplicated pregnancy includes, but is not limited to morning sickness, backache, varicose veins, ankle swelling, bladder problems, multiple pregnancy, or participation in an IVF or similar program.

Self-harm: any intentional act of self-harm. This includes deliberately exposing yourself to risk of sickness or injury for any reason.

Drug and alcohol related sickness or injury: taking intoxicating liquor (however, we will pay a claim if you are at or under the legal blood alcohol limit for driving); taking drugs (unless prescribed to you by a medical practitioner and taken in the correct dose).

Criminal activity: any sickness or injury that occurs as a result, or during, committing or attempting to commit a criminal offence.

War and terrorism: terrorism, civil commotion or unrest; guerrilla or insurgent activities in countries outside Australia, if the Australian Government has advised you to not travel to that country; war, or an act of war.

Other: any other specific exclusion agreed with you first and as listed in the policy schedule.

In addition to these, there are some further situations not covered if you have the Income Cover option. These are:

Pre-existing or known medical conditions: any sickness, injury, disease, disorder, syndrome, sign or symptom that occurred, the life insured was aware of, or of which it's reasonable to expect a person would be aware, in the 5 years immediately prior to cover commencement date. No claim will be paid for any cardiovascular condition, stroke or severe stroke if you had any of the following pre-existing medical conditions in the 5 years immediately prior to the cover commencement date:

- diabetes mellitus;
- a body mass index (BMI) of 40 or higher; or
- blood pressure or cholesterol above the normal reference range that hasn't returned to levels within this reference range after medical treatment.

Any mental health related condition: including anxiety disorders and depression; stress or adjustment disorders; eating disorders; emotional or behavioral disorders; drug or alcohol abuse; psychosomatic disorders, or any treatment complications thereof.

Fatigue: disorders related to myalgia; fatigue, including chronic fatigue syndrome.

Back injuries: a 90 day claim waiting period applies from the date you are first out of action as a result of a back injury.

Football related injuries: a 90 day claim waiting period applies from the date you are first out of action as a result of a football related injury.

Heights/depth/speed: meaning engaging in work or a lifestyle activity that involves explosives, weapons, heights above 20m, depths below 30m underground or underwater or speeds above 130km per hour, other than as a fare-paying passenger on a commercial airline.

Aviation: If your sickness or injury is related to being involved in any form of aviation apart from being a paying passenger on a commercial flight.

Dangerous occupations: are those occupational duties that involve an inherent degree of danger and increased risk, including but not limited to work and activities:

- at heights above 20 metres;
- underground or underwater, or working offshore;
- at speeds above 130 kilometres per hour, other than as a fare-paying passenger on commercial transportation;
- that involve the handling of weapons, explosives, hazardous materials, chemicals or substances;
- in the police, protective or custodial services; as a firefighter; or while on active duty in the armed services;
- flying in an aircraft, except as a fare-paying passenger on a commercial airline; or
- in the sex or adult entertainment industry.

Dangerous Pastimes: are those pastimes, sports and activities that involve an inherent degree of danger and increased risk, including but not limited to the following activities:

- engaging in or training for professional sport;
- engaging in or training for stunts, whether professionally or otherwise;
- engaging in or training for sporting activities involving either animals or the use of weapons;
- boxing, competitive fighting, martial arts or combative sports of any kind;
- solo hang gliding, skydiving or parachuting;
- flying in an aircraft, except as a fare-paying passenger on a commercial airline;
- being at depths below 30 metres underground or underwater;
- speed racing or contests of any kind involving any type of motor vehicle, motorcycle, or power boat;
- the riding of trail, dirt, pit or motocross bikes, quad bike riding, or riding any other type of power assisted off-road buggy, kart or other vehicle;
- rock fishing, extreme white water canoeing or kayaking;
- back-country skiing or snowboarding, mountain climbing, BASE (buildings, antennas, spans and earth) jumping, bungee jumping, abseiling or canyoning; or
- any other pastimes undertaken outdoors at heights above 20 metres.

6. Adjustments

Adjustments may apply to payments under the Out of Action Benefit or Returning to Work Benefit. A reduction to your Out of Action Benefit or Returning to Work Benefit will only be made if you receive or are due to receive any other payment or other payments (including on a periodic or lump sum basis). If an adjustment applies, it will be to ensure that the Out of Action Benefit or Returning to Work Benefit plus the other payments including earnings is not greater than 75% of your monthly income.

If any other payment (defined below) is received or payable as one or more lump sum payments, the lump sum payment(s) will be converted to a monthly amount on the basis of 1% of the lump sum for each month that a benefit is paid or payable to you. The benefit will be calculated taking this figure into account for a maximum of 8 years.

Other payment means any payment or payments received or payable:

- from any other individual or group income protection policy;
- under social security laws; or
- pursuant to any workers' compensation or accident claim made under any state or federal legislation or under common law where these other payment(s) relate to a condition covered by your policy and the amount of these other payments do not account for benefits paid or payable under your policy.

7. About your premiums

How premiums are calculated

Depending on the plan type you've selected, premiums take into account some or all of the following:

- the plan type and any optional benefits you have selected (generally, the more cover option/s you select, the higher the premium);
- the amount of benefit (generally, the higher the sum insured, the higher the premium);
- inflation protection increases in the benefit amount;
- your age (premiums generally increase each year as you get older);
- claims benefit period (generally, the longer the claims benefit period, the higher the premium);
- claim waiting period (generally, the longer the claim waiting period, the lower the premium);
- risks involved in your lifestyle and occupation (generally, the higher the risk, the higher your premium); and
- other factors including gender, smoking status and health (generally, the better the state of health, the lower the premium. Additionally, life expectancy and illness rates differ between men and women which can result in different premiums).

In addition to the policy cost, government duties and charges are included in your premium. Sometimes discounts may apply to certain policies, however these may not apply for the full term of your policy.

When do you or do you not have to pay?

The premium is due on the date and at the frequency shown in the policy schedule. All premiums are payable by the due date shown in your policy schedule (unless otherwise advised). You can change the frequency of premium payments at any time.

If you are paying by direct debit, the premium will be deducted from the account that you have authorised us to debit, on the

agreed date and frequency. If the agreed date falls on a weekend or public holiday, the deduction will be made on the next business day.

We will waive the premium for the respective life insured while that life insured is out of action and we are paying a Sickness and Injury Cover benefit or Returning to Work Benefit.

If the premium has been paid while a life insured is out of action, the payment will be credited towards the next premium due following the end of the benefit payment/s.

Changes in premiums

Premium rates are not guaranteed. Your premium will change when any of the following events occur:

- your premium will increase each year in accordance with your age and any increase to your benefits;
- if you make changes to your policy;
- if your benefit amount is increased or decreased;
- if you add or remove a cover or option;
- if you change your premium frequency from yearly, then you will lose the annual premium payment discount;
- if there are changes in government duty or taxes and we choose to pass on these additional costs. If this happens, we will give you 30 days written notice; and
- if there are circumstances impacting the cost of providing cover across AAMI Income Protection Insurance policy holders (for example, where more people make a claim on their policy than expected) and we choose to reprice our AAMI Income Protection Insurance portfolio. If this happens, we will give you 30 days written notice. You will never be singled out for a premium rate increase and we cannot change your premium just because your health changes.

Payment frequency

You can pay your premium fortnightly, monthly or annually via a direct debit from your nominated account or credit card. If you pay annually, you get 12 months of cover for the price of 11.

The total first year premium, or the first instalment of the premium you must pay is shown in your policy schedule.

We also provide you with a payment schedule, which lists the regular payment dates for the coming year. This schedule is included with your policy schedule.

You can change the frequency of premium payments at any time. An updated payment schedule will be sent for your records.

Payment method

Premiums may be paid by:

- direct debit; or
- credit card.

If you are paying by direct debit or credit card, the premium will be deducted from the account that you have authorised us to debit, on the agreed date and frequency. Depending on weekends and public holidays, the deduction will be made on the next business day. If we are unable to debit on the agreed date due to insufficient funds we will, subject to the relevant debit authority, attempt to debit again.

Unpaid premium and premium dishonours

To ensure your cover continues you must pay your premiums when due.

If you don't pay the premium when due or the premium deduction from your account can't be made, then:

- if the unpaid premium is the first premium, the policy will be cancelled and treated as if it had not existed at all;
- if the unpaid premium is a premium other than the first premium, we will allow 30 days from the due date to make this payment. If we have not received payment by this time, we will send you a notice telling you that we will cancel your policy if the premium then due is not paid by the date shown in the notice. This date will be at least 28 days from the date of the giving of this notice. If you do not pay the premium by that date, we will cancel the policy; or

- if any benefit under the policy becomes payable, any unpaid premium due to us will be deducted from the benefit paid to you. No benefit will be paid if the policy is cancelled.

What happens if I stop paying?

Your cover is only valid while premiums are paid when due, so if you stop paying, your cover will end in accordance with the process outlined above in the 'Unpaid premium and premium dishonours' section. As AAMI Income Protection is an insurance policy, not a savings plan, it works in the same way as other insurance policies, such as car insurance. If you stop paying or cancel outside of the first 30 days, there will be no refund of any of the money you've paid in premiums.

If you are having trouble meeting your premium payments, we may be able to offer you options to assist. Please call us to discuss the options that might be available to you.

Taxation

If you are considering the tax implications of purchasing and receiving benefits under AAMI Income Protection, it is important you seek independent, professional taxation advice. The complexity of taxation laws and rulings is such that this advice should be specific to your circumstances. For comprehensive advice regarding the taxation implications of paying premiums or receiving any of the benefits under the policy that takes into account your personal circumstances, please contact a registered tax agent, tax (financial) adviser or the Australian Taxation Office.

The following general information only applies to Australian resident individuals who are both the policy owner and the life insured and the recipient of any benefits. It is based on the Australian tax law as at the date this PDS was prepared. The tax law and its interpretation are subject to change.

Premiums paid for insuring against loss of your income should generally be tax deductible and benefit payments received which substitute for your income should generally be assessable income for tax purposes.

There are no premiums payable for the Life Insurance Premium Waiver benefit.

Where the law requires an amount to be withheld or deducted from a benefit payment, we will withhold or deduct the required amount from the payment and forward it to the relevant authority.

AAMI Income Protection is treated as input taxed under the Australian Goods and Services Tax (GST) law and premiums are not subject to GST. The premium rates are inclusive of any GST costs incurred in relation to the policy. An input tax credit will not be available to the policy owner.

Reinstatement

If this policy lapses, cover may be reinstated at our sole discretion, on such terms and conditions as we may require including, but not limited to, the following:

- outstanding premiums will need to be paid before a policy can be reinstated;
- reinstatement is not guaranteed; and
- reinstatement may be in the form of a new policy, with a new policy number and contract conditions.

Government duties

We reserve the right to pass on to you any Government duties, taxes or other charges that are or become payable by us or you in respect of this policy.

Premium and commission

TAL Life may pay commissions and other benefits to AAMI and/or TAL Direct. Any amounts paid are factored into the cost of your policy. AAMI and/or TAL Direct will provide details of the benefits they will receive in the FSG given to you.

8. Making a claim

How do I make a claim if I ever need to?

AAMI Income Protection helps take the financial difficulty out of what can be a very stressful time. That's why we've kept the process as straightforward as possible.

To claim a benefit, we require claim documentation in support of benefit entitlement. We may ask for additional information to ensure that the terms and conditions of the policy as set out in this PDS are satisfied.

Step 1

If you need to make a claim, please contact us on 1300 450 322 as soon as you know you will be out of action for longer than your claim waiting period. You need to tell us about your claim as soon as you can. Delays could potentially affect our ability to pay your claim. You or your legal representative will need to provide us with claim details and our claims staff will provide you with a list of all requirements needed to assess your claim. We will help you understand the claims process, what to expect for the assessment of your claim and to make the claim as easy as possible for you.

AAMI Income Protection Claims

Phone: 1300 450 322

Mail: Claims Department, AAMI,
Reply Paid GPO Box 5380,
Sydney NSW 2001

Email: claims@aamilifeinsurance.com.au

Step 2

You or your legal representative will need to collate all the relevant information and return it to us together with proof of the condition, your income and any other requested documents we need to validate the claim. Depending on the claim, we'll let you know if any additional requirements (including employment and other relevant financial and health records) are needed once the initial information is reviewed.

Step 3

Every month that you are unable to work you will need to complete and send us progress claim forms so that we know you are still entitled to receive a benefit.

Usually, you are responsible for any costs of providing the initial and ongoing claim information or documents to support your claim. However, if your circumstance requires anything above our standard processes, we'll pay for any costs incurred in meeting those requirements or we will contact the relevant parties on your behalf.

Duty of Disclosure

Claims may be declined in full or in part and the policy may be avoided in full or varied if the policy owner and/or the life insured fails to comply with the duty of disclosure as stated on page 8 or makes a misrepresentation while applying for cover or any alteration in cover.

We will require relevant information from you to assess your claim and to be satisfied of our liability under your policy. Where relevant to assessing any claim you make, we have the right to request you to provide access to relevant medical, financial, employment and other relevant records. We also have the right to request you to provide your consent or grant us authority to obtain access to such records.

If you do not provide the above relevant records or you do not provide consent or authority for us to access relevant records to assess your claim, we may not be able to assess any claim you make (in which case we may not pay a claim which we have not been able to assess).

Fraudulent claims

We will refer any suspected fraudulent claims or illegal activity to the relevant law enforcement authorities and will, to the extent permissible by law, seek to recover any monies paid, expenses or damages incurred in obtaining such evidence as may be required to protect our rights. We can cancel your policy and no claim will be payable if you make a fraudulent claim.

Information we will need

You or your legal representative must provide us, at your own expense, with any completed claim forms, information or certified copies of documentation supporting the claim that we reasonably require. We will contact you within a reasonable time from the date you submit of your claim and inform you of any additional information and/or documentation that we require in order to assess your claim. We require the following for all claims:

- certified copy of proof of age of the life insured;
- certified copy of identification document of the policy owner; and
- initial or progress claim form (as relevant in the circumstances).

Authority to obtain information

To obtain all relevant evidence and to assess your claim, we will require you to provide us with written authority to receive information relevant to the assessment of the claim from third parties. For example, we may use this authority to seek information from medical practitioners who have treated you, including historical medical records which are relevant to determining whether you have complied with your duty of disclosure when you applied for, reinstated or modified your policy.

If you choose to withhold your consent and do not complete your authority, we may not be able to assess your claim and your claim will be declined until we are able to obtain the information and evidence we reasonably require.

For Sickness and Injury Cover and/or Accident Benefit Option claims, we will require proof of the sickness, injury or event for which a claim is being made, supported by (but not limited to):

- evidence of the date and location of where the event leading to the injury occurred (if applicable);
- appropriate evidence from a medical practitioner, including confirmatory investigations such as clinical, radiological, histological and laboratory evidence;

- confirmation that any surgical procedures are medically necessary and usual treatment for the condition;
- proof of payment, when a claim for reimbursement is being made;
- confirmation of income received from other sources (including other insurers) for the claimed condition; and
- if applicable, proof of income for the last 12 months and/or last financial year.

Financial requirements

We will advise you if you are required to provide:

- verification of the life insured's earnings stated in the application; and/or
- verification of the life insured's earnings, business income and business expenses for the period before and after the event giving rise to your claim; and/or
- an audit of the life insured's business and personal financial circumstances as often as is required. This may include auditing documents that constitute a legal claim requirement such as business and personal taxation returns and profit and loss statements.

We may require you to provide us with copies of the tax returns lodged with the ATO or other financial documentation which verifies your earnings during a period for which we have paid an AAMI Income Protection benefit. We must receive this information by any reasonable timeframe we require.

We may recalculate the amount of the AAMI Income Protection benefit that we would have otherwise paid if your earnings were averaged over the relevant claim period, and either:

- pay any underpayment of AAMI Income Protection benefit;
- recover any overpaid AAMI Income Protection benefit in full; or
- reduce the amount of any future AAMI Income Protection benefit payable until the excess amount paid has been recovered.

Occupation requirement

You will be advised if you are required to provide verification of your occupation, including the breakdown of all the duties that you performed prior to ceasing work as a result of sickness or injury. If you are self-employed, your occupation will also take into consideration the duties required in running your business or a similar business. This information will be used to assess your ability to perform your occupation.

Claim requirements at our expense

We reserve the right to obtain any additional information that we deem necessary. Should we request any further information in excess of the initial and progress claim requirements in order to assess your entitlement to benefit, these requirements will be met at our expense.

Depending on the type of claim, you may be required to provide or participate in some or all the following:

- additional medical examination(s) which may involve imaging studies and clinical, histological and laboratory evidence to confirm the occurrence of the condition;
- confirmatory assessment and diagnosis of current functional and vocational capacity by a qualified medical practitioner or an appropriately qualified person selected by us;
- access to details of the life insured's previous medical consultations; and
- interviews with various parties including you, in relation to your claim by a member of our staff or someone appointed by us, as often as is required.

Need to continually follow the advice of a medical practitioner

Claim payments will be contingent on the life insured being under the regular care of and following the advice of a medical practitioner, including recommended courses of treatment and rehabilitation.

Payment of claims

We will pay your claim once we have received all the claim requirements and established proof acceptable to us of your entitlement to be paid a benefit under this policy.

If, while out of action, a life insured, under the regular care of and following the advice of a medical practitioner, travels to or resides overseas, benefit payments will only be made for a maximum of 3 months while the life insured remains outside Australia. The benefit can resume or continue once the life insured has returned from overseas (while the claim is still valid).

Misstatement of age

If the age of the life insured has been understated on the application for this policy, then the benefit payable in respect of a life insured will be recalculated based on the benefit that the premium would have purchased if the correct age had been provided. If the age of the life insured has been overstated, we will refund any excess premium paid. Where the terms and conditions of a benefit vary by the age of the life insured, the correct age of the life insured, if applicable, will be used to determine whether a benefit is payable.

We may also vary the end date of the policy to what it would have been had the correct date of birth been provided by the life insured.

When we will not pay a claim

We are not liable to pay a claim or may reduce a benefit arising from or in any way connected with anything we have specifically excluded or adjusted in the policy schedule.

If your policy was purchased to replace an existing income protection policy, until the other income protection policy is cancelled, no claim will be paid under your income protection benefit. If the previous income protection policy is not cancelled and a claim occurs, any premiums paid to us will be refunded and no benefit will be paid.

So there is no misunderstanding, we will also not pay a claim:

- where your claim does not meet the relevant policy terms and conditions for a benefit to be paid;
- where you did not comply with your duty of disclosure when you applied for your policy or plan type, and we apply an appropriate remedy available under the Insurance Contracts Act;
- where you have not provided us with all information we have reasonably requested to assess your claim;
- where there is insufficient evidence to support your claim;
- where we do not receive any authority that we require to obtain the information, records and evidence we reasonably require to assess your claim and your compliance with your duty of disclosure.

9. Important things you need to know about your cover

We encourage our customers to make sure they understand all aspects of their AAMI Income Protection, so here's what you need to know before and after you take out your cover.

How we communicate with you

All correspondence and notices about your policy will be sent to the email address you give to us unless you ask to receive this information in the post. You can nominate at any time to receive your policy correspondence by post instead of email. You should save or print a copy of any information or documents that we email to you and keep these in a safe place so that you can always refer to them. Some documents, such as your policy schedule, may be required in the event of a claim.

If you change your mind (cooling-off period)

We offer a 30 day money back guarantee, giving you time to review your policy, and make sure it's the right one for you. This is commonly referred to as a cooling-off period. If you cancel your policy within 30 days of the policy commencement date and you haven't made a claim, we'll refund the premium you've paid.

You can cancel your policy at any time after the cooling-off period. Cancellation can be effective as of the next premium due date, which means you're covered until then, or it can be effective as of the date you notify us, which means you're no longer covered and we'll refund any unused premium. For example, if you've paid an annual premium and cancel your cover halfway through the year, we'll refund half of the annual premium you paid.

More than one life insured

You can have more than one life insured on the same policy, subject to you meeting entry age requirements, satisfying health and lifestyle criteria. Each life insured can have a different amount of AAMI Income Protection cover.

All lives insured will be shown individually on your policy schedule along with their respective premium.

If more than one life insured is covered under this policy, a reference to a life insured means each respective life insured individually.

You may add a new life insured to your policy after the policy commencement date, subject to the life insured meeting entry age requirements, and satisfying health and lifestyle criteria, where applicable. If a new life insured is added, a new policy schedule will be sent to you listing all the lives insured covered under the policy, effective as of the issue date of the policy schedule.

The 30 day cooling-off period only applies when the policy is first issued. No further cooling-off period applies when a life insured is added to an existing policy.

Alterations to existing cover

We understand that circumstances change, and you may need to make changes to your cover. You can make the following changes:

- update your contact details;
- add or remove a life insured;
- increase or decrease your benefit amount;
- increase or decrease your claim waiting period and claim benefit period;
- add or remove optional cover;
- change the premium frequency or the date we debit your bank account or credit card; and
- change how you pay your premiums.

You may increase the AAMI Income Protection benefit amount for each life insured up to the maximum monthly benefit amount prior to the life insured reaching 60 years of age, subject to the life insured satisfying health and lifestyle criteria. Premiums for the increased portion of cover will be based on the premium rate applying for the life insured's age at the time of increase.

Alterations to your policy may have an impact on your premium.

No cash value

Your AAMI Income Protection policy does not acquire a cash value. It works just like your car and home insurance – it's not a savings plan. No premiums or refunds will be payable to you in the event of policy cancellation, except within the 30 day cooling-off period.

Guaranteed renewal of cover

As long as you continue to pay your premiums when due, we guarantee to renew your policy each year until cover ends. This guarantee of renewal applies regardless of any changes to your health or personal circumstances.

Currency

All payments in connection with this policy must be made in Australian dollars.

Statutory fund

The assets of TAL Life's Statutory Fund Number 1 will alone be liable for the payment of the benefits under this policy. You have no rights to the assets of TAL Life or any other TAL Life statutory fund.

Variations

This policy can only be changed by TAL in writing. No other person or company including an agent of TAL has the right to change any part of the policy.

Special conditions and exclusions

It is important that you read the policy schedule to confirm the details are correct and to note any special conditions or exclusions which may apply to this policy.

Risks

There are risks involved with taking out insurance that you should be aware of. These include:

- you may not select the right insurance product and cover level for your needs;
- it is possible to pay more in premiums than the amount you are covered for;
- if you are replacing another insurance contract, you should consider the terms and conditions of each insurance contract before deciding to make the change; and
- our policies do not contain a savings or investment component, which means that if you cancel your policy after the 30 day cooling-off period, you may not receive any money back.

You should consider if the policy meets your needs both now and in the future. You may need to seek assistance from a financial adviser to assist you to determine if the terms are consistent with your objectives, financial situation and needs.

12. Direct debit service agreement

This direct debit service agreement is issued by TAL. It sets out the conditions for using direct debit to pay your insurance premiums. Please keep this agreement in a safe place for future reference.

How direct debit works

On the day your premiums are due, we send a request to your financial institution to debit the payment from your nominated account.

It usually takes between 1 to 3 days for the funds to be deducted — so make sure you keep enough money in your account during this time. If there are insufficient funds in your account to cover your premium payment, your bank may charge you a dishonour fee, and your insurance premiums will become overdue. TAL does not charge a dishonour fee for missed payments, but we may cancel your cover if your premiums remain unpaid.

When we deduct your payments

Usually we'll deduct your payment on the day it is due. Here are the exceptions:

- weekends — we'll deduct your payment the next business day, usually Monday; and
- public holidays — we'll deduct your payment the next business day. For public holidays that do not apply in all states, we'll deduct your payment the day it's due.

Our promise to you

We promise to:

- give you at least 10 business days written notice of changes to this agreement; and
- keep your nominated account information confidential, except where conducting direct debits with your financial institution, or otherwise as required by law.

Your commitment to us

You agree that:

- you've given us the correct account details (please check a recent account statement to confirm);
- the account you've nominated allows direct debit payments;
- all account holders are party to this agreement; and
- sufficient funds will be available on the due dates to cover your direct debit payments.

How to make changes

To make a change to your direct debit arrangement, please contact us on 13 22 44. We can help you with:

- changing your nominated account details;
- delaying, stopping or suspending any debits; and
- cancelling the agreement completely.

We'll need at least 2 business days notice before your next payment for these changes to take effect. If you delay, suspend, stop or cancel your direct debit payment, you'll need to make alternative payment arrangements to ensure your insurance cover can continue.

General advice warning

It's important that you understand and are happy with your purchase decision. Any advice you receive is general advice only and has been prepared without considering your objectives, financial situation or needs. Before acting on the advice, you should obtain a copy of the relevant Product Disclosure Statement (PDS) and consider it carefully before deciding whether or not to acquire the product.

Who we act for

TAL Direct is acting for itself when it provides a financial service.

When our representatives provide general financial product advice, or arrange for the insurer to issue policies, they act for TAL Direct.

TAL Direct has been authorised under an arrangement called a 'binder':

- by TAL Life, for life cover;
- by Asteron, for life cover;

to:

- enter into, vary or cancel insurance cover; and

If our representatives provide general advice or recommend a product issued by a TAL group company, the TAL group company may benefit from this by receiving fees (including product, administration, investment or management fees) charged on that product. The amount and calculation of those fees are shown in the relevant PDS. Further, we and our representatives may also benefit if a TAL group company product is issued to you, or a TAL group company product you hold is varied, as a result of the general advice provided to you. You can request details of this remuneration from us before you apply for your TAL group product – see the 'How to contact us' section for details.

Companies in the TAL group may provide services and obtain fees and charges or other benefits from the product issuer or service provider if you obtain a product or service from a company in the TAL group. These relationships will be detailed in the relevant disclosure document. Where we enter into transactions with related parties, we operate in accordance with the related party protocols and TAL policies and procedures which require us to transact on terms that would be reasonable if the parties were dealing at arm's length.

Personal and sensitive information (together 'personal information') is collected from you to enable TAL Direct and the insurers to provide their products or services to you. Further information may be requested from you at a later time, such as during the underwriting assessment, if you want to make alterations to your insurance policy, or when you make a claim.

The way in which we collect, use and disclose your information is described in our Privacy policy which is available at www.tal.com.au, and is free of charge on request. If you have any questions or complaints relating to your privacy, please contact us using the contact details below. Generally, you are entitled to gain access to information we hold about you. If you wish to request access, please let us know.

If you do not supply the requested information to us, we may not be able to provide our products and services to you such as issue a policy or assess a claim. In processing and administering your insurance (including at the time of claim) your personal information may be collected from, or disclosed to, the insurer and AFSL as well as any related bodies corporate including the third parties if it is legally permitted or authorised to do so. Opt-out

Remuneration

When insurance is arranged for you, you will be required to pay a premium and this will be paid to the insurer of the product. The premium includes any commission payable by the insurer for distributing the product, so you do not need to pay any extra. Where a representative arranges a policy for you over the telephone, that representative may in addition to their salary receive additional variable remuneration from TAL. The amount of this remuneration is dependent on a number of factors including the number of policies issued and the quality of the representative's conduct.

If we provide you with a financial service, you are entitled to request details of this remuneration and may do so by contacting us on the number specified in this FSG. There may be circumstances where additional commissions, bonuses and non-cash incentives are paid and these will accrue from time to time. These are not an additional cost to you. TAL may also pay referral fees or commissions to people or organisations that refer new customers to us. The referral fee may be paid in the form of an upfront commission fee and/or periodical trail fees. This will be at no additional cost to you. In addition to paying referral fees, TAL may from time to time give other non-cash benefits to referral partners.

Direct Debit Request summary

This summary describes how the Direct Debit Request system works. The full Direct Debit Request Service Agreement (Agreement) is available to you at www.aami.com.au/policy-documents. You should read the Agreement carefully as it explains your rights and obligations relating to your ongoing direct debits.

When you complete your bank details and sign the authority, you are authorising the direct debit of the appropriate premiums from your nominated account. Your authority will be kept confidential at all times. If your premium cannot be paid (for example there's not enough money in your nominated account), your bank may dishonour that payment, in which case your policy may lapse. Insurance cover ceases when the policy has lapsed.

If you have concerns about its operation or you subsequently need to change any aspects of the authority, please contact us. From time to time updates about our services which are subject to change and which are not materially adverse to you may be found at www.aami.com.au/policy-documents and if you request a paper copy of any updated information, this will be provided to you without charge.

Compensation arrangements

TAL Direct is part of TAL and we confirm that TAL retains professional indemnity (PI) insurance to cover the activities of licensees within TAL, including TAL Direct. This PI cover is maintained in accordance with the law, is subject to its terms and conditions and provides indemnity up to the sum insured for the activities of the representatives of TAL and TAL Direct.
