- ✓ Day surgery
- ✓ Overnight accommodation (private room where available)
- ✓ Special care unit accommodation (e.g. intensive care)
- ✓ Operating theatre fees

- ✓ Allied health services (e.g. physiotherapy, occupational therapy)

## What is covered In-Hospital at a non-Agreement Private Hospital

If you choose to be treated at a private hospital that does not have an agreement with nib, we will pay towards the costs of the services listed above but you are likely to incur greater out-of-pocket expenses for most hospital related services than you would at an agreement hospital.

## Hospital excess

A hospital excess is the amount you pay towards the cost of a hospital stay before any benefits are payable by us.

You only pay an excess if you or someone (other than a dependant child under 21 years of age) on your policy goes to hospital. The excess applies once per person per calendar year and is payable directly to the hospital prior to your admission. The excess level for families is capped at twice your chosen excess level (e.g. a \$250 excess is capped at \$500 per calendar year).

**Please note:** If you've recently switched hospital covers your previous level of excess may apply for up to 12 months for pre-existing conditions. Refer to the Policy Booklet for more information.

Excess options  
on this cover:

**\$250**

per person per calendar year

**\$500**

per person per calendar year

## We can help you minimise out-of-pocket expenses for hospital related fees:

- To help you reduce or eliminate out-of-pocket expenses choose a private hospital or day facility that has an agreement with Us.
- Ask your Doctor or Specialist to participate in our MediGap Scheme to eliminate the 'gap' for their in-hospital fees.
- Always call us first if you need to go to hospital on **13 22 44**.
