### Update pursuant to ASIC Corporations Instrument 2016/1055

This notice provides a non-materially adverse update to the AAMI Comprehensive Car Insurance Product Disclosure Statement, prepared date 1 October 2013 ("PDS").

#### What is the change?

The optional 'Windscreen and window glass cover' on page 19 of the PDS is to have the following paragraph inserted immediately below the first paragraph as follows:

Where the only loss or damage to your car is a chipped windscreen that has not cracked, and can be safely repaired, we will cover the cost of the repair without you having to pay an excess or losing your one excess free claim under the Optional Cover for the remainder of the period of insurance.

This change only applies to claims which occur between 9 October 2017 and 5 November 2017.
