

Term & Conditions

1. Market Stall policies are not included in this promotion.
2. The discount applies to new AAMI Business Insurance policies when you quote online between 1 September 2015 – 18 December 2015.

The discount will still apply if you quote during the discount period but purchase after the discount ends. Note that the quote expires after 30 days.

Some customers may need to complete their purchase through the AAMI call centre. If you start your quote online and then provide the quote number to the contact centre, you will still receive the discount.

3. The discount will be applied before taxes and charges. This means it will apply to your premium before Fire Services Levy, Stamp Duty and GST.
4. If you're lucky enough to get more than one discount, we apply them in a set order to the already discounted premium, usually before adding taxes and charges. Minimum premiums apply.
5. Keep in mind that we reserve the right to vary or discontinue this discount at any time and without notice.
6. You can call us at anytime to check that the discount is being applied to your policy.
