The application and your cover

Who can apply?

You can apply for AAMI Life Insurance if you are aged between 18 and 60 (inclusive), you are an Australian or New Zealand citizen or permanent resident and residing in Australia at the time of application, and you received this PDS in Australia.

Your application

We consider many factors (such as your health and occupational duties) when making a decision about whether to accept your application for insurance. No medical tests are required when you apply. We will use the information provided by you in your application to assess whether or not we can provide you with cover or whether we can offer cover subject to special conditions that apply to your policy.

When you are covered

Once you apply and your application is accepted, you will be covered for the benefits outlined (on pages 6-10) 24 hours a day, 365 days a year. We guarantee to renew your policy every year until your 99th birthday, unless your cover stops earlier, please refer to 'When cover stops' on page 5.

When cover starts

As long as you satisfy the eligibility requirements (please refer to Who can apply? on page 3) full cover under your AAMI Life Insurance policy will commence when we have accepted your application and received correct payment details. In the meantime you are covered for limited benefits under your AAMI Life Insurance policy (please refer to Limited Accidental Death Cover below).

If we accept your application for cover under AAMI Life Insurance, we will send you a schedule and policy document confirming our acceptance. These documents, together, set out the full terms and conditions of your insurance with us. Please read these documents carefully and store them in a safe place.

Limited Accidental Death Cover

While your application is being processed, we will provide you with Accidental Death Cover. This means if you were to die as a result of an accident while we are processing your application, we will pay your estate the sum insured you have applied for. This limited cover will start on the date we receive your completed application for assessment and will cease on the earliest of the following events:

- 14 days from the date your limited cover begins;
- the date your application is accepted, declined or withdrawn;

the date we advise you that your limited cover is cancelled; or

the date you die.

Please note, the intentional self inflicted act exclusion will apply during your period of limited cover, please refer to 'What we do not cover' on page 11.

When cover stops

Once you reach your 99th birthday your cover will stop. Cover will also stop under this policy on the earliest of the following events:

you ask us to cancel the policy;

the date your policy is cancelled due to the non-payment of outstanding premiums;

the date the Terminal Illness Benefit is paid; or

the date you die.

If cover stops we will not consider any claim, unless the event giving rise to the claim occurred before cover stopped.

Your cooling off period

You have 30 days from the policy commencement date to check that this insurance meets your needs. This is the cooling off period.

If you wish, you can cancel your policy during the cooling off period by contacting us and, provided you have not made a claim, you will receive a refund in full of any money you have paid.

What we cover

AAMI Life Insurance is a single life policy only. As the sole owner of the policy, you will also be the only insured person.

Depending on the level of cover you think you need, you can apply for as little as \$100,000 or as much as \$1,000,000, in increments of \$100,000.

The most we will pay under your AAMI Life Insurance policy is the sum insured. The maximum amount payable under all yearly renewable term life insurance policies issued by us since May 2010 for the same insured person is \$1,000,000 (plus indexation).

You are entitled to the following benefits under your policy:

Death Benefit

If you die during the life of this policy, we will pay the sum insured for your policy as a lump sum to your nominated beneficiaries (if applicable), otherwise to your estate.

Terminal Illness Benefit

If you are diagnosed with a terminal illness by a registered doctor during the life of this policy, we will advance your full Death Benefit, helping you arrange your financial affairs the way you want.

Funeral Advancement Benefit

To help with the costs of your funeral or other similar expenses, we will advance \$10,000 of your Death Benefit if you die. We will pay this Funeral Advancement Benefit to your primary nominated beneficiary usually within 24 hours of receiving your death certificate and completed claim form. If you have not nominated a primary beneficiary, we will pay this benefit to your estate.

The Funeral Advancement Benefit is an advancement of your Death Benefit and will therefore reduce your total Death Benefit payable by \$10,000. Please note that the payment of this benefit does not mean that the remaining Death Benefit will be paid.

Lifestyle Increase Benefit

We understand life is always changing. To help keep your insurance in line with your changing lifestyle, you can increase your sum insured each year by \$100,000 without having to provide any medical information if you are under the age of 60 and you:

- get married;
- or your partner give birth to or adopt a child;
- have a child starting high school for the first time;
- purchase a home (owner occupied); and/or
- suffer the death of your partner.

You can also increase your sum insured under this benefit on your second policy anniversary.

How to apply for this benefit

Simply contact us for a Lifestyle Increase Benefit Application Form or download the form from www.aami.com.au/life-insurance. This benefit stops on your 60th birthday, unless cover stops earlier, please refer to 'When cover stops' on page 5.

Subject to the maximum sum insured limits that apply, please refer to 'What we cover' on page 6, you can increase your sum insured using this benefit, up to the value of your original sum insured.

For example, if your original sum insured was \$400,000, you can increase your sum insured under this benefit by a further \$400,000.

When to apply for this benefit

Increases to your sum insured using this benefit must occur within 30 days of your policy anniversary following the event and will be offered on the same terms as your original insurance with us. Once we accept your application, we will confirm your increased sum insured and advise you of your new premium. Please note the 13 months intentional self-inflicted act exclusion will apply to the increased portion from the date we accept your increase, please refer to 'What we do not cover' on page 11.

Premium Pause Benefit

If you are unable to pay your premiums, for example due to financial hardship, you can contact us and request your premium be paused for up to 3 months over the life of the policy.

When you can activate this benefit

To activate your Premium Pause Benefit, you must have paid premiums for the previous 12 consecutive months and your policy must have no outstanding premium payable at the time of your request.

What is covered during the premium pause

During the period your premiums are paused, your AAMI Life Insurance policy will only cover you in the event you die as a result of an accident. After the premium pause has ended and you have started paying your premiums, you will be eligible for all the benefits under your policy.

Managing your cover

To ensure your policy continues to meet your changing circumstances, we offer you the following ways to help you maintain affordable cover.

Automatic Indexation Benefit

We will automatically increase your sum insured each year on your policy anniversary, by the greater of the indexation factor or 5%, to help keep your insurance in line with inflation. Unless you decline the increase, we will recalculate your premium to reflect the increase in your sum insured as a result of the indexation factor (and your age) and we will advise you of your new premium prior to your policy anniversary.

Premium Freeze Benefit

You can ask us not to increase the cost of your premium, in which case your future premiums will remain the same as the amount you froze them at, resulting in your sum insured decreasing as you get older. We will advise you of your reduced sum insured prior to each policy anniversary. You can ask us to end the premium freeze at any time by contacting us.

AAMI Rewards

Your 13th month free!

After you have paid your first 12 months' premium in full, we will waive the premium for your 13th month of cover. This means after your first policy anniversary:

- if you pay your premiums monthly, your account will not be debited for your 13th month of cover; or
- if you pay your premiums annually, your first renewal notice will show a reduced annual premium, representing 11 months' premium.

Full cover continues during the time that your premium is waived. Your policy and premium payment will continue as normal thereafter.

Financial Planning Benefit

If you have continuously held your policy for 3 years, your policy will be automatically upgraded to include the Financial Planning Benefit at your 3rd policy anniversary. Under this benefit, we will reimburse up to \$2,000 for financial planning advice received from a licensed financial planner within 12 months of an accepted claim for either the Death Benefit or the Terminal Illness Benefit. This will allow you or your beneficiaries to best utilise the proceeds received. This benefit is only payable once per policy.

What we do not cover

We will not pay any benefit or refund any premiums if the event giving rise to the claim, directly or indirectly, is as a result of an intentional self-inflicted act within 13 months of your policy commencement date or the date we confirm reinstatement, or during your period of interim cover. Please note that if we accept an increase to your sum insured, the 13 months intentional self-inflicted act exclusion will apply for the increased portion.

Your premium

Your premium pays for your cover, government fees and charges and administration costs.

Premium payment options

You can choose to pay your premium monthly or annually from the financial institution account or credit card you nominate and you have up to 30 days from the date each premium is due to pay your premium.

What happens if your premium is not paid

If you do not pay a premium within this period, we will send a notice to you at the address last advised to us specifying the date we will cancel the policy without any refund of premium. We will not be liable for any claims after the date of cancellation.

If we cancel your policy due to non-payment of premiums, you can ask us to reinstate your policy up to 12 months after the date of cancellation. In order for us to process your application for reinstatement, we can ask for information relating to (but not limited to) your health and all outstanding premiums must be paid by you. If we accept your reinstatement, the 13 month intentional self-inflicted act exclusion will apply to your policy from the date we confirm reinstatement, please refer to 'What we do not cover' on page 11.

Premium guarantee

Your premium is guaranteed not to change for 12 months from your policy commencement date. After this period, your premium will generally increase with age and as a result of the Automatic Indexation Benefit, explained on page 9. We can also change the premium rate for all policies of the same kind by providing you with at least 30 days' written notice. You will be charged the new premium from your next policy anniversary.

Premiums received are paid into our No. 1 statutory fund. A policy issued in relation to AAMI Life Insurance does not participate in any surplus arising in our statutory funds.

Are you eligible for a discount?

There are two types of discounts available under AAMI Life Insurance: the Large Sum Insured and Family Discounts. You may be eligible for one or both of them.

Large Sum Insured Discount

The higher the sum insured you choose, the larger the discount that applies to your policy. The following table shows how the discounts will be applied:

Sum Insured	Discount
\$100,000	Nil
\$200,000	10%
\$300,000 & \$400,000	20%
\$500,000 or more	30%

Family Discount

Should an immediate family member also purchase an AAMI Life Insurance policy, both you and your immediate family member will enjoy a 10% discount. The discount will apply to the premium payable, please refer to 'How to calculate your premium' on page 14.

For example, if you and your spouse each purchase a policy with a sum insured of \$600,000, you will both be eligible for a Large Sum Insured Discount (30%) and a Family Discount (10%), totalling a 40% reduction to your premium.

This is for illustrative purposes only. The level of discount you may be eligible for may differ depending on your circumstances.

How to calculate your premium

Your premium is based on the applicable premium rate multiplied by your sum insured. Your premium is based on your age, gender and smoking status. Depending on your health, a loading may also apply to your premium from the policy commencement date.

The following tables provide you with a sample of monthly premiums only and include the Large Sum Insured Discount explained above. For a personalised quote, please contact us on 13 22 44 or go to www.aami.com.au/life-insurance.

Keeping you up to date

We may change any information in this PDS. If the change is a material or significant one, we will generally notify you within 3 months of the change occurring. We may also make improvements to your policy without any increase to your premium. If we make a change to your policy which in your opinion was adverse to you, we will, if you make a claim, assess your claim on the terms of the policy before the change took place.

All the information contained in this PDS is current at the time of issue. We may change or update information from time to time. If the change is not materially adverse, we may notify you about that change by preparing an update on our website www.aami.com.au/life-insurance. You can also obtain a printed copy of this free of charge by contacting us (refer to back page for details).

Your Duty of Disclosure

Before you enter into a contract of life insurance with us, you have a duty, under the Insurance Contracts Act 1984, to disclose to us every matter that you know, or could reasonably be expected to know, that is relevant to our decision whether to accept the risk of the insurance and, if so, on what terms.

Your duty, however, does not require disclosure of a matter:

- that diminishes the risk to be undertaken by us;
- that is of common knowledge;
- that we know, or in the ordinary course of our business, ought to know; or
- as to which compliance with your duty is waived by us.

Non-disclosure

If you fail to comply with your duty of disclosure and we would not have entered into the contract if the failure had not occurred, we may avoid the contract within 3 years of entering into it.

If your non-disclosure is fraudulent, we may avoid the contract at any time.

We may elect not to avoid your contract but to vary it by:

- (i) reducing the sum insured in accordance with a formula that takes into account the premium that would have been payable if you had complied with your duty of disclosure; or
- (ii) placing us in the position in which we would have been in if you had complied with your duty of disclosure.

The options to vary the contract are available to us while the contract remains in force.

Where your contract provides death cover, we may only apply (i) above and must do so within 3 years of you entering into the contract with us.

Your duty of disclosure continues to apply until the contract is entered into. It also applies when you extend, vary or reinstate a contract of life insurance.
